

Toledo

HEIRLOOM

The Toledo Collection captures the essence of today's minimalist design trend. Its clean streamlined lines will enhance the overall design of any bathroom.

The range has the advantage of an integrated backing plate making it equally suitable for plasterboard or tiled surfaces and the towel rails can be cut to shorter lengths if required.

With a robust, easy to install mounting bracket the Toledo collection is an ideal project range and carries a ten-year warranty.

Easy to
install
bracket

Easy to install mounting bracket

- Mounting bracket trim ring in one-piece cast zinc for added strength and stability
- Robust, easy to install one-piece system
- Equally suitable for tiles/plasterboard in both commercial and home projects*
